

THE WIMBOLDSLEY WEEKLY

7th March 2025

www.wimboldsleyprimaryschool.co.uk

@WimboldsleyCPS

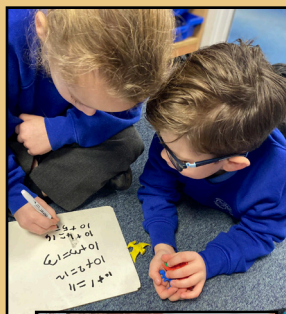

Everything has looked a bit brighter this weeks and it definitely feels like Spring is in the air. That can only mean one thing - it's time for our residential to begin! Year 1 and Year 2 are off to Delamere next week followed by Year 4 and Year 6 the week after. Residential offer a wonderful opportunity for children to develop skills outside the classroom and provide lasting memories.

FOCUS ON - YEAR 1

Our new Pathways text, *The Curious Case of the Missing Mammoth*, is taking our Year One children on a prehistoric journey. All of us can now appropriately use capital letters for sentence openers, proper nouns, and the pronoun I. We can also use our Year One magic 'and' to join words and clauses in sentences with ease. We are very proud of the progress we are making with our writing. In Geography, we are learning about the United Kingdom, and we have enjoyed identifying some of its physical features and landmarks as well as discovering where the four UK countries are located. In Science Lessons, our Year One Scientists are learning about the human body and our senses. We are budding historians too, learning all about the British monarchy. Our most exciting news is that we will be on residential next week, joining Year 2 for an overnight trip to Fox Howl, Delamere. We have promised our teachers a good nights sleep... can we be trusted?!

NSPCC

This week, Year 5 and 6 had a fascinating discussion from the NSPCC about Speaking Out to Stay Safe. The children were extremely thoughtful and mature and took part in a very valuable session.

PTA

Our wonderful PTA met today and had a great meeting to organise events for the rest of the academic year (details to follow). They are currently fundraising to improve our outdoor area and would love to welcome new members into the fold. Please contact school if you would be interested in joining.
