

THE WIMBOLDSLEY WEEKLY

14th March 2025

www.wimboldsleyprimaryschool.co.uk

@WimboldsleyCPS

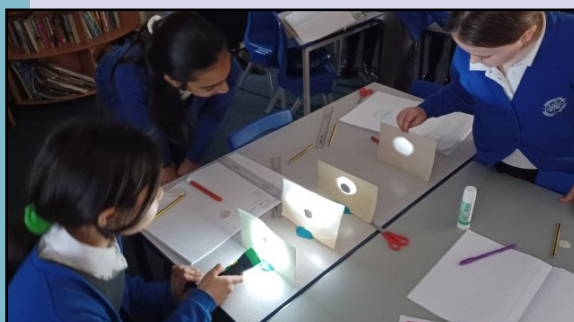

School has been a hive of activity this week with the addition of British science week into what was already a jam-packed week of learning. Years 1 and 2 had a fantastic residential in Delamere and all proved how grown up they are becoming. It's the turn of Years 4 and 6 next week to head out to Boreatton Park in Shropshire, so keep an eye out on X for lots of exciting pictures of their adventures.

FOCUS ON - YEAR 5

This term, our year 5's have enjoyed learning about the fascinating story of Jemmy Button, a young boy taken from his native home in Tierra Del Fuego, to London, in a bid to teach him about living in upper class England. The children have written a balanced argument and enjoyed discussing the pro's and con's to this interesting experiment. In Maths, they are perfecting their skills multiplying fractions - it's definitely been a challenging, yet rewarding unit. Our Geography has focused on coasts and the unique formations that can be found around the British coastline, from arches to stacks! We have been enjoying our science unit on light, particularly how it affects our eyes. The optical illusions have been fascinating! We have thoroughly enjoyed our art unit which has focused on the artwork of Roy Lichtenstein... stay tuned for our final pieces. With the sunshine making more of an appearance, we are looking forward to what more this term holds with music from film and dance skills coming our way. As always, keep your eyes peeled for our updates on our Oak and Willow pages.

FOXHOWL RESIDENTIAL

Year 1 and Year 2 have had a wonderful residential at Foxhowl in Delamere. All the children were amazing and wowed us with how grown up and sensible they all were. They all enjoyed their first night away with school and developed lots of fabulous teamwork skills and built their independence. We are so proud of them all.

Olivia R - What an amazing time it was! When we went to Delamere I saw a small brown frog and we took a photo. My favourite part was going up the hill so that we could see the beautiful view.

Summer R - I like it at Delamere when we made stick pictures and toasted marshmallows on the fire. We made a den for Coach Joe to sleep in.

Michael L - When I went to Delamere I liked the big hill walk because we got to stroll through the windy forest.

FRIDAY 21ST MARCH

Pay £1 to this worthy cause and come into school in non-uniform
