Another week has been and gone and pupils continue to work hard in all subjects, learning new skills, acquiring new knowledge and building upon what they already know. We have some shorter school and working weeks ahead with the two bank holidays and I hope that you all take this time to enjoy the longer weekend, whatever your plans may be.

Our after-school provision started this week and what a success it has been!

Thank you to everyone who sent in their ideas for names and after a vote from the children, we are delighted to announce that our wraparound provision (both breakfast and after-school) is now called

THE CONKER CLUB

After-school sessions can be booked via School Spider and booking closes daily at 2.30pm. They are £10.00 for up to 5.30pm or £6.00 up to 4.30pm.

YEAR 4 wowed their families with a fabulous learning assembly today. Well done year 4.

On Thursday 8th May it is the 80th Anniversary of VE (Victory in Europe) day when families and communities will come together to unite in celebrating 80 years of peace since the end of World War II in Europe.

To mark this historic day we invite children to come to school dressed in red, white and blue or traditional 40's costumes.

Our day will begin with an assembly followed by activities in our classes. We will, weather permitting, have a lunch time street party in our school playground with Nicky's fishand chips (vegetarian option available).
