

THE WIMBOLDSLEY WEEKLY

2nd May 2025

www.wimboldsleyprimaryschool.co.uk

@WimboldsleyCPS

The shorter school week has really made these last few days fly by but staff and pupils have still managed to cram in a wealth of learning over these last few days. It's been lovely to see the sun shining a little more and everyone enjoying and making the most of the outdoors, whether that's during break sessions, PE and other subjects or just eating their lunch outside and spending time with each other. We had a fabulous day yesterday celebrating the 80th anniversary of VE day and all went home feeling very patriotic.

To all our wonderful Year 6s:

You have all worked incredibly hard during your time at school, particularly these past nine months and all of your dedication and commitment to your learning and revision has been commendable. You are an inspiration to our younger year groups who will eventually follow in your footsteps and we thank you for being such fantastic Role models. We wish you lots of luck for your SAT's next week - you are all truly amazing and this is your time to shine! Have a relaxing and enjoyable weekend filled with laughter and rest and we look forward to seeing you on Monday morning.

Remember... Don't get stressed, just do your best - you're blessed with skills that SAT's can't test.

VE Day

The school was awash with red, white and blue yesterday as we remembered and commemorated the 80 year anniversary of VE day. We enjoyed songs, memories and a fish and chip lunch! More pics on the back page.

Football

Our Year 5 and 6 football team took part in an inter-school tournament yesterday held at Middlewich High School. They played really well and did themselves and the school proud.
