

THE WIMBOLDSLEY WEEKLY

13th June 2025

www.wimboldsleyprimaryschool.co.uk

@WimboldsleyCPS

There's been lots happening across our wonderful school this week, and much of our learning is shared online for you to enjoy. If you haven't already, please follow our school Twitter page and class pages, where staff provide updates on the daily activities at Wimboldsley. I am especially proud of our Year 4 pupils, who have shown exceptional dedication during this week's multiplication check. The last few weeks of the academic year are always busy and this year is no exception. Our children and staff are persevering fantastically, focusing on key knowledge across the curriculum while also planning and preparing for our upcoming summer events. The weeks ahead will be fast-paced, but I am confident they will be enjoyable and memorable for everyone involved.

Playleader Training

Our Year 5s had a wonderful time yesterday when they took part in playleader training, led by Joey Fontana from Vara Sports. The children were taught lots of games, techniques and strategies to enable them to lead play sessions with our younger children. They are all very eager to get started with their new roles!

YEAR 2 ASSEMBLY

Year 2 presented a wonderful learning assembly to their families today. They were all so confident and everyone was very impressed with how much they'd learnt.
